Subject: CASAC PM Panel Thank you for your service

Aaron,

Can you please forward this email to CASAC PM panel?

Appreciated.

Dear CASAC PM Review Panel members,

Yesterday evening on October 10, 2018, Acting Administrator Andrew Wheeler announced five new members of the chartered Clean Air Scientific Advisory Committee (CASAC). Additionally, consistent with the Clean Air Act and CASAC's charter, Mr. Wheeler tasked the seven-member chartered CASAC to serve as the body to review key science assessments for the ongoing review of the particulate matter National Ambient Air Quality Standards (NAAQS).

Therefore the CASAC PM Review Panel will no longer be involved with the Agency's PM NAAQS review and your service on the panel has concluded. The agency thanks you for your public service on the CASAC PM Panel these past several years and for your contribution in protecting public health and safeguarding our nation's air.

Please feel free to reach out to me or the CASAC Designated Federal Officer, Aaron Yeow, if you have any questions. My team and I are grateful for having the pleasure of working with you as esteemed colleagues over the years on topics and issues that have so greatly benefited the American public.

Thank you kindly,

Khanna
